my vehicle has 5. but there are any where from 20-50 vehicles that are in our group, meeting in CO tomorrow. We were thrown a curveball by the weather, our vehicle was stuck in the snow for 2 hours and we had different depart times based on how many breaks they wanted.

went through the i90 last night, was a pain. Three hours for a normal 1 hour trip back form the mountains. Have you get good weather from here!

it's too dark to take pictures before we get to SE Wyoming. We're gonna get some when the sun comes up.

I-80 east from about Rawlins, WY to Laramie, WY was closed last I heard. Extremely high winds blowing semis over combined with icy conditions. Check your route ahead and drive safe!
